

Dear Parents,

During the 2021-2022 school year your child may have the exciting opportunity to attend an educational field trip with their class. At this time we would like to ask permission for your child to attend these future trips.

Please note that you will be given more detailed information about these trips as field trip opportunities arise.

We look forward to these educational experiences with your student. Thank you for your cooperation.

Child's name: _____

Grade: _____

Teacher: _____

_____ Yes, my child has permission to go on field trip(s)

_____ No, my child does not have permission to go on field trip(s)
