

STUDENT EMERGENCY & SEVERE WEATHER INFORMATION FORM

We ask that **all families** in the Martin County West School system **complete this form and return it** to one of the school offices. It is very important that this information be on record in the office where your child attends school. (You only need to complete one form – copies will be sent to the appropriate offices.)

SEVERE WEATHER INFORMATION:

This information is important in the case of severe weather when the buses cannot transport the students home. Students who are bused need to have a place to stay in town. Remember, if your child is transported to the junior/senior high school they will need a place to stay in that town. For example: a student who lives in Welcome or Sherburn and goes to MCW Trimont Elementary will need a place to stay in Trimont when the weather is such that the buses cannot transport the students.
