THREE PROMISES OF YOUTH HOCKEY

As a parent, you understand it is important for your child to get the most out of participating in youth sports. To ensure your child has an enjoyable experience, youth hockey aims to deliver the "Three Promises:"

1. PROMISE OF FUN

The thrill of carrying the puck up the ice, the exhilaration of scoring their first goal or the camaraderie of skating with friends is possible due to the fun and encouraging environment youth hockey provides to try new things and grow as a person.

2. PROMISE OF GUIDANCE

Youth hockey is unique because a new player must start from the very basics of essentially learning to walk again. Your local youth hockey program has instructors that are able to teach the sometimes challenging skills of ice hockey in a fun, engaging manner.

3. PROMISE OF ACHIEVEMENT

You will be amazed at the progress your child will make in a short amount of time. Both you and your child will walk away from the rink each day, excited about all the new things that your young hockey player has started to learn on the ice.

CER LEARN TO SKATE AND INTRO TO HOCKEY

Learn to skate and Intro to hockey is held on Wednesday nights from 5:30 - 6:15. With the first session starting in November and going through December. The second session starting in January and going through February.

This is a great way to introduce your child to skating or to peak their interest in hockey. Cost is \$60 per session and you can register through CER.

MINI MITES AND MITES (6U - 8U)

There is no better way to introduce your child to a new sport other than trying it for FREE the first year. The Fairmont youth hockey association offers 6U and 8U programs. Your registration is free along with all hockey equipment. Your child will receive three (3) hours (plus) ice time each week with skilled coaches who will help your child develop the fundamentals needed to have a TON of FUN on the ice playing Minnesota's number ONE sport, ICE HOCKEY!

10U GIRLS AND 10U BOYS

Kids who are 10 and older can register for their first year at a discounted price. Please visit www.fairmonthockey.com for more information.

FUN FOR YOUR CHILD

With USA Hockey's program for players ten years old and younger - which includes the integration of cross-ice practices and games - we can raise the level of creativity among players, increase player participation and create a positive environment for kids to learn and play!

Registration deadline is October 15, 2023. For more information, please visit www.fairmonthockey.com OR contact Aaron Haycraft by email at aaron.haycraft@outlook.com. Or Danielle Thate by email at thate613@gmail.com.

It's time try out Minnesota's favorite winter pastime and lace up those skates!
