Reminder:

3-6 Physical Education Supplies

When looking for tennis shoes for 2021-2022 school year, please make sure the bottom soles are mostly rubber and not foam. Over the past few years the shoe companies have been making tennis shoes with foam bottoms and they become extremely slippery on the gym floor after a few weeks of wearing them. Rubber bottoms should last the entire year.

If possible, please purchase your own wrist guards for roller skating. You will be using them through 6th grade. Please put your child's name on them and they will be stored in their locker.

Thank you!

Mrs. Janssen
