

# Martin County West

*Connected to the Past, Celebrating the Present, Cultivating the Future*

## Dear Maverick Families,

This has been a very busy spring for all the typical reasons (spring sports, concerts, holidays, etc.) and because our work to fulfill our strategic plan goal of designing future-ready facilities has continued. At the end of March, the school board held a series of community meetings to share what we have learned so far about our buildings and to hear what community members think about the information. I was thrilled with the strong turnout we had at each meeting, how carefully people listened to the information shared, and the fantastic questions asked. I was also impressed by the number of people who couldn't make it to a meeting but looked through the materials posted on the district's website and watched recordings of the meetings. I know the rumor mill is working overtime on this topic so I appreciate when people go right to the source to find the information for themselves. A link to all the information shared at the meetings, and about this entire process, is posted on the front page of the district's website at <https://www.martin.k12.mn.us/>.

The school board studied the feedback they got from community members carefully. As a next step, they have commissioned a formal survey of the community to determine what the community as a whole is willing to contribute towards moving us from a three building school district to a one building school district.

This survey will be open to everyone in the school district community. Postcards will be

mailed to homes with a link to fill out the survey. There will also be paper copies available upon request. Please watch your mail in the next few weeks for this postcard and take the survey, either online or on paper. The more people we can hear from on this survey, the better data the school board will have to make important decisions about how to move forward with our school buildings.

Another step in the process that will take place in May is the hiring of a construction manager. As the school board reviews the results of the survey, the construction manager will help the ISG architects we have been working with get more details worked out so people will know exactly what the plan is for moving forward towards a vote.

If you have questions about this process, you are welcome to submit them at [tinyurl.com/MCWBuildingQuestions](https://tinyurl.com/MCWBuildingQuestions), check out the website, call or email me at the Central Office, or ask school board members. Input from the community has been invaluable at every step in the process so far. It is even more important now as we determine which path forward will be supported by the community. Watch for the postcard with the Maverick on it coming soon and let us know what you think.

In partnership for education,

Cori Reynolds  
Superintendent

## May Newsletter

may

### Dates to Remember

#### May

5/5/23 - Teacher Workshop (No School for Students)

5/6/23 - Prom

5/8/23 - Spring 5-12 Band Concert

5/9 - 5/10 - 10th Grade Science MCAs

5/11/23 - Spring 7-12 Choir Concert

5/29/23 - Memorial Day, No School

#### June

6/2/23

Last day of school with students.

Student achievement awards recognition at 1PM in the gym.

6/4/23 - Graduation Commencement Ceremony at 2:00 at the MCW Jr/Sr High School.

6/5/23 - Half Day Teacher Inservice

Hello MCW Families,

We are in the final stretch of the '22-23 school year. After 20 years of being in education, one always looks back on the year and thinks, "Wow, that went fast!" Now, that doesn't mean that some days and weeks seemed long, but in the end, I would say it was a "short-long time." In May, everyone is getting ready to make a leap forward whether it be to the next grade, the next year's schedule or the next chapter in life. This year, one of my own children will graduate. As an educator, this time of year has always felt special, but experiencing one of your own turning the page to the next chapter takes it to a whole new level. I plan to embrace the celebrations and special moments this spring in honor of those that are moving on up. Whether you look back on this school year or the last twelve, watching students or your own children grow and evolve is a short-long time. So enjoy the end of the year festivities; our MCW students have several more special moments to cherish this school year including career fairs, college visits, prom, spring concerts, ball games, award ceremonies and the grand finale, graduation. Bring on spring and GO MAVERICKS! ~Autumn Welcome

**MCA Testing Schedule** - The testing schedule for MCA's is almost complete! MCA's are MN state mandated tests for students. Last test will take place May 9-10 for 10th Grade Science

**Appreciation & Recognition of Staff** - Several of our staff are honored this month. We appreciate all that these members of our MCW team offer to each other and to the students.

- May 1 - 5 is teacher appreciation week.
- May 5 is school lunch provider appreciation week.
- May 10 is school nurse appreciation day.

#### **Adjustments to Schedule**

- May 5th - Teacher Workshop, no school for students.
- May 29th - Memorial Day, no school for students or staff.
- June 2nd - Snow day make up day and last day of school for students.

**Prom** - The annual MCW prom will be on May 6th at 7:30PM. The theme this year is Diamonds are Forever. Doors open to the public at 6:45PM with a free will donation that helps support the event.

#### **Spring Band and Choir Concerts**

- May 8th, 5-12 Band Concert at Jr/Sr High School at 7PM
- May 11th, 7-12 Choir Concert at Jr/Sr High School at 7PM

**Blood Drive** - The Jr/Sr High School is hosting a blood drive on May 11th from 8a - 2p. Please contact Ms. Hornick if you are interested in donating.

**Graduation** - Graduation is set for Sunday, June 4th at 2:00 p.m. this year. The ceremony will take place in the high school gymnasium. We congratulate and celebrate all of our 2023 graduates and their accomplishments.

#### **Reminders**

- Please call the school to update contact phone numbers if they change.
- If your student is absent, please call or email Molly or Lisa in the office ASAP
- If a student is sick, they must be FEVER FREE for 24 hours before returning to school.
- Have a concern? Please notify the teacher first, if not resolved then notify the principal.

**Stay Informed** - The **District webpage**, <https://www.martin.k12.mn.us/> will serve as a hub for all things related to returning to school and changes in plans throughout the school year., please check in regularly for updates. Another informative connection point is our Facebook page at <https://www.facebook.com/mcwJHSHschool> LIKE US!

# Trimont Elementary

May, 2023

**May's Monthly Theme** –Get ready for some fun as we focus on Creativity this month! One way to think about Creativity is “using your imagination to create something new or solve a problem.” Opportunities to be Creative are all around us!

How can you find ways to be Creative as a family this month? Creativity is 1 of 3 traits we will focus on throughout the year that helps students Be Well. Throughout the school, students will be developing skills like emotion regulation, positive self-talk, and stress-management.

**End of the Year Assessments** – Students have completed the Minnesota Comprehensive Assessments (MCA's) in reading, math and science (5<sup>th</sup> grade only) and we have received “tentative” scores on student performance. However, parents will receive an official mailing in late August with results for each student that tested. During this last month of the school year, students will be taking FASTBRIDGE assessments as well. These important tests will give us information on how far students have come this year as well as help us better prepare for their next year in school.

**2023-2024 Classroom Assignments** - At this time, class lists for the Fall are being completed. Input has been gathered from teachers for classroom placement for the upcoming school year. Final class assignments are decided by the building principal using a multitude of different resources. Teacher input, testing scores, academic interventions and academic history are some of the resources used in order to help create class rosters. The goal is always to provide students with the best learning environment by balancing building resources with the needs of all our learners. Students and parents of elementary aged students will receive classroom assignments for next year when report cards are sent home on the last day of school.

**Final Count-Down-** As you can tell by the list of events on this newsletter, our staff have been very busy planning fun and engaging ways to celebrate the end of the school year.

- On Wednesday, May 17, O'Scoop's will be at Trimont Elementary. A generous donor has sponsored this and all students will enjoy ice cream that day, free of charge.

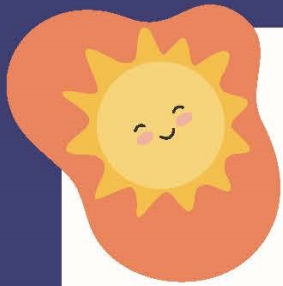

- Parents and families are welcome to join us for the May 18-19 for Field Days at Trimont Elementary as fun activities will be taking place around the Trimont school grounds.

- The graduating class of 2023 will be doing their final walk through the hallways of Trimont Elementary on May 23 at 11:00 a.m. Parents are welcome to join us for this walk down memory lane!!

# Sherburn Elementary May Newsletter

## Spring has Sprung

Hello MCW families,

The weather is starting to turn and the sun is shining more and more. It is getting harder and harder to keep students in their coats during playground and recess time because they say they are HOT from running around! We all love the warmth, bring on more spring and summer days!

We are continuing to work hard wrapping up this school year making sure every last bit of reading, math, science and all the other good stuff gets squeezed in. Teachers are also planning some fun end of the year events, like building tours (2nd grade), field days and field trips. With that being said, we are also looking forward to next year by creating new class lists and schedules.

Know that we are grateful for your families and all that you do to support your students and our school.

~Nickole Bowie

## Field Day

Sherburn Elementary will be having their annual Field Day for Kindergarten through 2nd grade May 12. Mrs. Elliott will be sending information home with all of the details.

## Field Trips

The 1st and 2nd Grade will be going on field trips this Spring. 1st Grade will be going to the Sioux Falls Zoo and 2nd Grade will be going to Mankato to go to the Museum. Classroom teachers will be sending out more information about the trips very soon.

## O'Scoops Icecream

O'Scoops Icecream will be bringing the PreK-2nd Grade icecream treats on the afternoon May 19. There will be an alternative for students with dairy allergies.

# Upcoming Events

May 1-5 - Teacher Appreciation Week  
May 1 - Principal Appreciation Day  
May 5 - Teacher Workshop Day (No School for Students)  
May 5 - School Lunch Providers Appreciation Day  
May 10 - School Nurse Appreciation Day  
May 12 - Track & Field Day  
May 18 - 2nd Grade Field Trip  
May 19 - O'Scoops Ice cream  
May 25 - 1st Grade Field Trip  
May 26 - 2nd to Trimont  
May 29 - Memorial Day (No School)  
June 2 - Last day for Students

## 2nd Grade visit to Trimont

Students in 2nd grade will visit Trimont Elementary for a school tour and fun activity on May 26. 6th grade students will partner up with the 2nd graders and be tour guides. This will be a short visit to familiarize students with the building and get to meet teachers for next year. Trimont staff and students look forward to their visit.

## Fall 2023 Classroom Assignments

At this time, class lists for the Fall of 2023 are being completed. Input has been gathered from teachers for classroom placement for the upcoming school year. Final class assignments are decided by the building Principal by using a multitude of different resources. Teacher input, testing scores, academic interventions and academic history are some of the resources used in order to help create class rosters. The goal is always to provide students with the best learning environment by balancing building resources with the interpersonal needs of all our learners.

### Character Strong Theme for May!

# MAY 2023

## 2023-2024 Preschool Registration is now open!

Martin County West Community Education and Recreation would like to invite our 3 and 4 year old community members to apply for our 4-Star Parent Aware Preschool Program for the 2023-2024 school year.

The registration process includes a Google form, a SchoolPay deposit payment and an application. All of these pieces are available on our CER tab on the MCW Website. Check it out, classes fill quickly, get signed up early!!

### ECFE LLAMA PROJECT

JOIN US FOR CRAFTS, GAMES  
AND LLAMAS AT MCW

# SOfit

Developed by Special Olympics Minnesota, SOfit offers individuals with intellectual disabilities a journey toward improved health through comprehensive wellness education and regular physical activity. Participants leave each session with the knowledge and skills to make healthy lifestyle choices. This three-week wellness program will provide an opportunity to learn, discuss and practice physical activity, nutrition, social and emotional wellness. Participant can bring 1 staff/person to assist them free of charge.

Classes will run 2:00pm - 3:00pm

Summer Session will include activities such as Yoga, Bowling, Fishing, Mini Golf, Nutrition, Yard Games and More!

The first session will be held at the Auditorium at the Southern Minnesota Educational Building in Fairmont. 115 S. Park Street

Register at [fairmont.k12.mn.us](http://fairmont.k12.mn.us) Community Education Page

## LEARN TO CODE

5th and 6th grade students are invited to a FREE program. Students will be introduced to coding using Scratch, a free, block-based coding software. Classes start April 4 and run on Tuesday and Thursday through May 30. Class time is from 3:30 - 5:30 at Trimont Elementary School Room 111. Sign up today at MCW Community Education Website!

## MAY GAME CLUB

MAY GAME CLUB IS SCHEDULED FOR MAY 15 AT 3:15 IN THE SHERBRUN ELEMENTARY LIBRARY. JOIN US FOR BOARD GAMES AND SNACKS AND FUN!

If you are interested in Private Swimming Lessons, give us a call, arrangements can be made!

The pool is available for rental time to host a fun birthday party, company bounding, youth activity, or family event! Call 507-764-2336

## Learning Unlimited

Learning Unlimited is a program that provides services, both activities and recreation to adults with disabilities. We are lucky to be a consortium to receive State Aid and Local Levy to support this adult population. There are very few places across the state that are lucky enough to be part of this program. St. James, is the fiscal host that serves these area school districts: Butterfield, Madelia, Martin County West, St. James and Truman. The program is delivered through Community Education and hopes to once again be able to provide services to our adults with disabilities population. If you know of someone who would be interested in participating in this program or volunteer for the program please contact Glenda Bechthold at [gbechthold@isd840.org](mailto:gbechthold@isd840.org) or one of our participating schools Community Education office (MCW, 507-764-2336).

### MCW Community Education & Recreation
