

**PARENTAL INSURANCE WAIVER**  
**STUDENT ACCIDENT INSURANCE**

August 9, 2021

Dear Parents/Guardians:

**The School District does not provide any type of health or accident insurance for injuries incurred by your child at school. This would include the entire school day and such times as the noon hour, recess, before and after school, athletics, etc.**

We encourage all families to have accident coverage on their children prior to participation in any sports or school sponsored activity.

This year the school is making available an accident insurance plan which parents may purchase. This plan will provide benefits for medical expenses incurred because of an accident. An explanation of the cost and benefits is explained on the premium envelope which can be obtained when you pre-register your child. The premium envelopes will also be available at each of the district offices.

Please read the entire policy offering to determine if this program is a needed supplement to **your own** primary health insurance. If you feel your coverage is adequate, sign below and return to your child's school. This form must be on file at your child's school.
